- 15.5 The Customer acknowledges that details of the Services, and the results of any performance tests of the Services, constitute Muddy Boots' Confidential Information.
- 15.6 Muddy Boots acknowledges that the Customer Data is the Confidential Information of the Customer.
- 15.7 This Clause 15 shall survive termination of this Agreement, however arising, and for 3 (three) years thereafter.

16. INDEMNITY

16.1 The Customer shall defend, indemnify and hold harmless Muddy Boots, its partners from time to time, its employees and agents from and against any claims, actions, proceedings, losses, damages, expenses and costs (including court costs and reasonable legal fees and expenses) arising out of or in connection with the Customer's and/or any Authorised User's use of the Services other than strictly in accordance with this Agreement, provided that:

- (a) the Customer is given prompt notice of any such claim;
 - (b) Muddy Boots provides reasonable co-operation to the Customer in the defence and settlement of such claim, at the Customer's expense; and
 - (c) the Customer is given sole authority to defend or settle the claim.
- 16.2 Muddy Boots shall defend the Customer, its Affiliates, officers, directors and employees against any claim that the Services infringe any patent, trade mark or database right (in each case registered in the UK and effective as of the Commencement Date), or any copyright or right of confidentiality (subsisting in the UK as of the Commencement Date), and shall indemnify the Customer for any amounts awarded against the Customer in judgment or settlement of such claims, provided that:
- (a) Muddy Boots is given prompt notice of any such claim;
 - (b) the Customer provides reasonable co-operation to Muddy Boots in the defence and settlement of such claim, at Muddy Boots' expense; and
 - (c) Muddy Boots is given sole authority to defend or settle the claim.
- 16.3 In the defence or settlement of any claim, Muddy Boots may in its sole discretion: (a) procure the right for the Customer to continue using the Services; (b) replace or modify the Services so that they become non-infringing; or (c) if it considers such remedies commercially or otherwise impractical, terminate this Agreement on 2 (two) Business Days' notice to the Customer.
- 16.4 In no event shall Muddy Boots, its employees, agents and sub-contractors be liable to the Customer to the extent that an indemnified alleged infringement is based on:
- (a) a modification of the Services by anyone other than Muddy Boots; or
 - (b) the Customer's or any Authorised User's use of the Services in a manner contrary to the instructions given to the Customer by Muddy Boots; or
 - (c) the Customer's or any Authorised User's use of the Services after notice of the alleged or actual infringement from Muddy Boots or any appropriate authority.

17. LIMITATION OF LIABILITY

17.1 Without prejudice to Muddy Boots' right to Fees, this Clause 17 sets out the entire financial liability of Muddy Boots (including any liability for the acts or omissions of its employees, agents and sub-contractors) to the Customer in respect of:

- (a) any breach of this Agreement;
- (b) any use made by the Customer of the Services or any part of them; and
- (c) any representation, statement or tortious act or omission (including negligence) arising under or in connection with this Agreement.

17.2 Except as expressly and specifically provided in this Agreement:

- (a) the Customer assumes sole responsibility for results obtained from the use of the Services by the Customer and its Authorised Users, and for conclusions drawn from such use;
 - (b) Muddy Boots shall have no liability for:
 - i. any damage caused by errors or omissions in any information, instructions or scripts provided to Muddy Boots by the Customer in connection with the Services, or any actions taken by Muddy Boots at the Customer's direction;
 - ii. errors in any data or services supplied to Muddy Boots by third parties (including but not limited to any data supplied by governmental or regulatory bodies) and incorporated into or used by Muddy Boots in its Software or Services.
 - (c) all warranties, representations, conditions and all other terms of any kind whatsoever implied by statute or common law are, to the fullest extent permitted by applicable law, excluded from this Agreement; and
 - (d) the Services are provided to the Customer on an "as is" basis.
- 17.3 Nothing in this Agreement excludes or limits the liability of Muddy Boots:
- (a) for death or personal injury caused by Muddy Boots' negligence;
 - (b) for fraud or fraudulent misrepresentation; or
 - (c) for any other liability which may not lawfully be excluded or limited.

17.4 Subject to Clauses 17.2 and 17.3:

- (a) Muddy Boots shall not be liable whether in tort (including for negligence or breach of statutory duty), contract, indemnity, misrepresentation, restitution or otherwise for any: (i) loss of profits; (ii) loss of business; (iii) depletion of goodwill and/or similar losses; (iv) loss or corruption of data

or information; (v) pure economic loss; or (vi) for any special, indirect or consequential loss, costs, damages, charges or expenses whatsoever; in each case arising under or in connection with this Agreement; and

- (b) Muddy Boots' total aggregate liability in contract, tort (including negligence or breach of statutory duty), indemnity, misrepresentation, restitution or otherwise, arising under or in connection with this Agreement in each twelve (12) month period calculated from the Commencement Date shall be limited to the total Fees paid for the purchased Subscription Levels during that twelve (12) month period.

17.5 Muddy Boots agrees to have in place valid insurance it considers sufficient to cover its potential liability under this Agreement.

17.6 The parties acknowledge and agree that the limitations and exclusions of liability set out in this Agreement reflect a fair and equitable apportionment of risk-taking account of (amongst other things) the Fees and the nature of the Services. Each party agrees that it is responsible for making its own arrangements for the insurance or mitigation of any loss it may suffer which is limited or excluded by this Agreement.

18. SUSPENSION OF SERVICES

18.1 Muddy Boots may suspend any or all of the Services without liability:

- (a) if Muddy Boots reasonably believe that the Services are being used in breach of the Agreement and the Customer does not remedy a breach within 10 (ten) days of Muddy Boots' written notice to the Customer describing the breach;
- (b) if the Customer fails to co-operate with Muddy Boots' reasonable investigation of any suspected breach of the Agreement;
- (c) if there is an attack on the Services or the Services are accessed by or manipulated by a third party without Muddy Boots' consent;
- (d) if Muddy Boots is required by law to suspend the Services or the Customer's access to the Services; or
- (e) if there is another event for which Muddy Boots reasonably believes that suspension of the Services is necessary to protect any network, system, Services, the Customer or any other customer;
- (f) in the circumstances set out in Clause 13.3.

18.2 Muddy Boots will give the Customer advance notice of a suspension under this Clause 18 of at least twelve (12) Business Hours, unless Muddy Boots determines in its absolute discretion that a suspension on shorter or contemporaneous notice is necessary to protect Muddy Boots or its customers from imminent and significant operational or security risk.

18.3 If the Customer's systems or Services are compromised, the Customer must address the vulnerability and demonstrate to Muddy Boots' satisfaction that it has appropriately addressed and/or fixed such vulnerability prior to Muddy Boots resuming the Customer's access to the Services.

19. TERM AND TERMINATION

19.1 This Agreement shall, unless otherwise terminated earlier as provided in this Clause 19, commence on the Commencement Date and shall continue for the Initial Term and, thereafter, shall continue until terminated by either party providing 3 months' notice in writing to the other party, such notice to expire no earlier than the end of the Initial Term.

19.2 Without affecting any other rights that it may be entitled to, either party may give notice in writing to the other terminating this Agreement immediately if:

- (a) the other party commits a material breach of any term of this Agreement and (if such breach is remediable) fails to remedy that breach within a period of 30 (thirty) days of being notified in writing to do so; or
- (b) the other party: (i) has a receiver or administrative receiver appointed over it or over any part of its business or assets; (ii) passes a resolution for winding up (except for the purposes of a genuine scheme of solvent amalgamation or reconstruction) or has a court of competent jurisdiction make an order to that effect; (iii) becomes subject to an administration order; (iv) enters into any voluntary arrangement with its creditors; or (v) ceases or threatens to cease to carry on business.

19.3 Without affecting any other rights that it may be entitled to, Muddy Boots may terminate the Agreement for breach if:

- (b) payment arrangements have been made by the Customer for payment via credit card or other third party, and the credit card issuer or third-party refuses to pay Muddy Boots' Fees.

19.4 On termination of this Agreement for any reason or expiry of this Agreement:

- (a) all licences granted under this Agreement including all access to the Software by the Customer and its Authorised Users shall immediately terminate;
- (b) each party shall return and make no further use of any equipment, property, Documentation and other items (and all copies of them) belonging to the other party;
- (c) Muddy Boots may destroy or otherwise dispose of any Customer Data in its possession unless Muddy Boots receives, no later than 10 (ten) days after the effective date of the termination of this Agreement, a written request for the delivery to the Customer of the then most recent back-up of the Customer Data. Muddy Boots shall use reasonable commercial endeavours to deliver the back-up to the Customer within 30 (thirty) days of its receipt of such a written request, provided that the Customer has, at that time, paid all Fees and charges outstanding at and resulting from termination (whether or not due at the date of termination). The Customer shall pay all reasonable expenses incurred by Muddy Boots in returning or disposing of Customer Data; and
- (d) the accrued rights of the parties as at termination, or the continuation after termination of any provision expressly stated to survive or implicitly surviving termination, shall not be affected or prejudiced.

19.5 On termination by either party other than termination by Muddy Boots under Clause 19.2(a) or 19.2(b) or 19.3, Muddy Boots will continue to provide Services to the Customer at its request for up to 6 (six) months until it has migrated the Customer Data to another supplier and Muddy Boots will do what is reasonable to assist the Customer in such migration, provided that the Customer pays Muddy Boots the Fees due for such Services monthly in advance. The provisions of this Agreement, including the Service Levels, will remain in effect until completion of the migration. Muddy Boots will not be liable for any third-party costs incurred by the Customer in connection with the migration.

19.6 If this Agreement is terminated during the Initial Term on the Customer's breach or pursuant to clause 19.3, the Customer will be liable to pay all Fees for the remaining months of the Initial Term or then current Renewal Term.

20. FORCE MAJEURE

Muddy Boots shall have no liability to the Customer under this Agreement if it is prevented from or delayed in performing its obligations under this Agreement, or from carrying on its business, by acts, events, omissions or accidents beyond its reasonable control, including: strikes, lock-outs or other

21. WAIVER

21.1 A waiver of any right under this Agreement is only effective if it is in writing and it applies only to the party to whom the waiver is addressed and to the circumstances for which it is given.

21.2 Unless specifically provided otherwise, rights arising under this Agreement are cumulative and do not exclude rights provided by law.

22. SEVERANCE

22.1 If any provision (or part of a provision) of this Agreement is found by any court or administrative body of competent jurisdiction to be invalid, unenforceable or illegal, the other provisions shall remain in force.

22.2 If any invalid, unenforceable or illegal provision would be valid, enforceable or legal if some part of it were deleted, the provision shall apply with whatever modification is necessary to give effect to the commercial intention of the parties.

23. ENTIRE AGREEMENT

23.1 This Agreement, and any documents referred to in it including the End User Licence Agreement, constitutes the whole agreement between the parties and supersedes any previous arrangement, understanding or agreement between them relating to the subject matter it covers.

23.1 Each of the parties acknowledges and agrees that in entering into this Agreement it does not rely on any undertaking, promise, assurance, statement, representation, warranty or understanding (whether in writing or not) of any person (whether party to this Agreement or not) relating to the subject matter of this Agreement, other than as expressly set out in this Agreement.

24. ASSIGNMENT, ETC.

24.1 The Customer may assign its rights under this Agreement to an Affiliate of the Customer provided that the party to which Customer assigns its rights provides a written undertaking to Muddy Boots to continue to be bound by all the terms of this Agreement.

24.2 Muddy Boots may at any time assign, transfer, or sub-contract all or any of its rights or obligations under this Agreement.

25. NO PARTNERSHIP OR AGENCY

25.1 Nothing in this Agreement is intended to or shall operate to create a partnership between the parties, or authorize either party to act as agent for the other, and neither party shall have the authority to act in the name or on behalf of or otherwise to bind the other in any way (including the making of any representation or warranty, the assumption of any obligation or liability, or the exercise of any right or power).

26. THIRD PARTY RIGHTS

26.1 Save for Authorised Users (who shall be bound by the terms of the End User Licence Agreement), this agreement does not confer any rights on any person or party (other than the parties to this Agreement and, where applicable, their successors and permitted assigns) pursuant to the Contracts (Rights of Third Parties) Act 1999.

27. NOTICES

27.1 Any notice required to be given under this Agreement shall be in writing and shall be delivered by email hand or sent by pre-paid first-class post or recorded delivery post to the other party at its address set out in this Agreement, or such other address as may have been notified by that party for such purposes.

27.2 A notice delivered by hand shall be deemed to have been received when delivered (or if delivery is not in business hours, at 09:00 on the first Business Day following delivery). A correctly addressed notice sent by pre-paid first-class post or recorded delivery post shall be deemed to have been received at the time at which it would have been delivered in the normal course of post. SCHEDULE 3 – AVAILABILITY, SUPPORT AND ADDITIONAL SERVICES

This Schedule describes the Muddy Boots commitment in terms of Software Availability, along with Support Services Muddy Boots' will provide to the Customer. It details the scope of Support Services and how they will be monitored.

AVAILABILITY

For the duration of the contract, Muddy Boots shall use commercially reasonable endeavours to make the Services available 24 (twenty-four) hours a day, 7 (seven) days a week except for scheduled maintenance. Muddy Boots commits to an overall uptime availability of 99.5 percent, measured on a monthly basis and excluding scheduled maintenance as described below. Uptime is defined by the availability of the Muddy Boots service to the customer and excludes: (a) any Maintenance Events (as defined below); (b) any outages or disruptions which are Customer-caused or third party-caused; and (c) any outages or disruptions attributable in whole or in part to events not within Muddy Boots' control. To achieve 99.5 percent uptime, the Muddy Boots service will be down for no more than 3.65 unscheduled hours per month. For the avoidance of doubt uptime and availability refers to Muddy Boots' Software and Muddy Boots' hosting service for Customer access. The Customer is solely responsible for its own internet access.

SERVICE CREDITS AND PENALTY

If Muddy Boots fail to achieve the required uptime availability in any given month then the Customer will be entitled to a credit equal to 5% of the average monthly subscription fees, calculated from the previous 12 month period, to be claimed within 90 (ninety) days of the end of the month where the failure occurred. If Muddy Boots fail to achieve the required uptime in 3 (three) consecutive months the Customer will be entitled to terminate their contract at 90 (ninety) days' notice, to be exercised, in writing, within 30 (thirty) days of the end of the month where the third consecutive failure occurred; these remedies above represent the sole and exclusive remedies for the Customer should Muddy Boots fail to provide the agreed uptime detailed in this Schedule 3.

REPORTING

Uptime reporting on Muddy Boots services will be provided during Service Review Meetings held at an agreed frequency. Root cause for any outages will be provided along with the associated report.

STANDARD HELPDESK TECHNICAL SUPPORT SERVICES

Muddy Boots shall provide the Customer with helpdesk Support Services during Normal Business Hours.

Muddy Boots shall provide a Muddy Boots service Account Manager who will be assigned to the Customer and be the Customer's point of contact for all service-related matters.

Muddy Boots' technical support team shall accept voicemail, e-mail and web form-based incident submissions which are: (a) to the contact details provided from time to time; (b) with valid Customer identification numbers; and (c) in Normal Business Hours. Any contacts outside of Normal Business Hours will be responded to when Normal Business Hours next resume.

Muddy Boots' technical support will accept calls for English language telephone support during Normal Business Hours on Business Days. Muddy Boots shall use reasonable endeavours to process support requests, issue support tickets if necessary, determine the source of problems and respond to the Customer. Muddy Boots' technical support shall respond to all compliant support requests within the time periods specified below, according to priority.

Muddy Boots' technical support team shall determine the priority of any defect, using one of following priorities:

Priority	Description	Response Time (hours in the supported period)	Update (hours in the supported period)	Target Resolution Time (hours in the supported period)
Priority 1 Critical	Priority 1 incidents are defined as the total inability to perform the normal operation of any significant business function or, if applicable, as stated in a Service Level Agreement. This could be caused by system unavailability, major hardware failure, or application incidents. The result is that the business group or groups cannot function.	Within 2 hours	Every 2 hours	6 hours
Priority 2 Major	Priority 2 incidents severely restrict the use of an application, system or piece of equipment. This can result in a serious rescheduling of business resources. If it continues a Priority 2 incident has the potential to become a Priority 1 incident.	Within 4 hours	Every 4 hours	24 hours or next release

Priority 3 Minor	Priority 3 incidents allow an application to be used, but not at full capacity. The restriction is not critical to the overall operation of the business or the department.	Within 24 hours	Every 40 hours	Within next 3 releases
Priority 4 Cosmetic	Priority 4 incidents are cosmetic in nature or any problem where there is an existing, functional workaround.	Within 72 hours	n/a	Rolled into Roadmap to be fixed

The Customer shall provide front-line support to Authorised Users. However, the Customer may contact Muddy Boots' technical support team in order to report problems from Authorised Users that the Customer's designated front-line support cannot resolve themselves after they have performed a reasonable level of diagnosis. On reporting a defect, the Customer shall supply a detailed description of such defect requiring support services and the circumstances in which it arose, and shall submit sufficient material and information to enable Muddy Boots' staff to duplicate the problem.

The Response Time begins when a defect is logged on Muddy Boots' Service Management system and a Support Ticket reference number assigned. The Target Fix Time begins when such a record has been notified to the Customer. No representation or warranty is given by Muddy Boots that all faults or defects in the Services will be fixed within a specified period of time nor that any defect or fault which does not materially affect the Customer's operations using the Services will be corrected, prior to the next release of any Software or service pack

SCHEDULE 4- BACKUP POLICY AND DISASTER RECOVERY

INTRODUCTION

This document describes Muddy Boots' commitments regarding back-up, disaster recovery and redundancy procedures. Muddy Boots' hosting infrastructure is designed to provide high availability, system redundancy, offsite data back-ups, and storage, with disaster recovery planning to ensure as little disruption to operations as possible.

DATA CENTRE

The data centre used to host the solution is a secure Tier IV classification facility. This means multiple active power and cooling distribution paths, and redundant components that provides documented 99.95 percent availability of the data centre core infrastructure.

HOSTING INFRASTRUCTURE

Muddy Boots infrastructure has been designed and implemented to be scalable as well as resilient in the event of unit failure. Firewalls, switches and all power supplies are deployed in dual failover mode. Webservers are implemented as a web farm and database servers are clustered.

Further detail on Hosting Infrastructure is contained in our Hosted Services Infrastructure Overview Document, which is available on request.

SCHEDULED MAINTENANCE TIMES

During scheduled maintenance windows, the Muddy Boots service may be unavailable. Scheduled Maintenance is performed monthly on the Thursday after the second Tuesday of each month from 6am to 10am (UK time). Additional periods of scheduled maintenance may be required at other times and Customers will be given one weeks' notice of this to ensure minimal disruption. Any unscheduled maintenance will be communicated to the Customer at least 24 hours prior to the event unless it is considered an Emergency. Any maintenance which affects the service and is deemed beyond Muddy Boots' control will not count against the uptime commitment.

BACK-UP POLICY

Muddy Boots provide real time data protection with data backed up locally at the data centre for rapid restores and offsite to our head office to provide resilience. Systems are monitored using industry standard and approved network monitoring tools, which alert Muddy Boots infrastructure team of any metrics that fall outside defined tolerances.

Muddy Boots will provide back-up services for the Customer Data. Back-ups of the Customer Data are performed every 60 (sixty) minutes. In addition, secure offsite back-ups of the data are taken every 12 (twelve) hours unless detailed otherwise in the Service Description. Offsite back-ups will be held securely for 3 (three) months.

DISASTER RECOVERY AND BUSINESS CONTINUITY

In the event of a complete data loss of the data centre Muddy Boots would invoke its disaster recovery policy.

A full disaster recovery environment is setup and maintained at the Muddy Boots Head Office location, this includes all Servers, network devices and applications. This environment is updated with the latest software releases and is always on to perform its role as a hot site. This is physically hosted within a dedicated server room with secure limited access.
